The half-year report does not include notes of the type normally included in an annual financial report and shall be read in conjunction with the most recent annual financial report.

## (b) Basis of preparation

The condensed consolidated financial statements have been prepared on the basis of historical cost, except for the revaluation of certain non-current assets and financial instruments. Cost is based on the fair values of the consideration given in exchange for assets. All amounts are presented in Australian dollars, unless otherwise noted.

The company is a company of the kind referred to in ASIC Corporations (Rounding in Financials/Directors' Reports) Instrument 2016/191, dated 24 March 2016, and in accordance with that Corporations instrument amounts in the directors' report and the financial statements are rounded off , unless otherwise indicated.

The accounting policies and methods of computation adopted in the preparation of the half-year financial report are consistent with those adopted and disclosed in the financial report for the last reporting period, except for the impact of the Standards and Interpretations described below. These accounting policies are consistent with Australian Accounting Standards and with International Financial Reporting Standards.

## (c) New Accounting Standards For Application In Future Periods

The Australian Accounting Standards Board has issued a number of new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods, some of which are relevant to the Scheme. #### NOTE 1: SIGNIFICANT ACCOUNTING POLICIES (cont'd)

#### (c) New Accounting Standards For Application In Future Periods (cont'd)

#### **AASB 9 Financial Instruments**

AASB 9 will replace AASB 139: Financial Instruments: Recognition and Measurement. The key changes that may affect the Group on initial application of AASB 9 and associated amending Standards include:

- simplifying the general classifications of financial assets into those carried at amortised cost and those carried at fair value;
- permitting entities to irrevocably elect on initial recognition to present gains and losses on an equity instrument that is not held for trading in other comprehensive income (OCI);
- simplifying the requirements for embedded derivatives, including removing the requirements to separate and fair value embedded derivatives for financial assets carried at amortised cost;
- requiring an entity that chooses to measure a financial liability at fair value to present the portion of the change in its fair value due to changes in the entity's own credit risk in OCI, except when it would create an 'accounting mismatch'; and
- introducing a new model for hedge accounting that permits greater flexibility in the ability to hedge risk, particularly with respect to non-financial items; and requiring impairment of financial assets carried at amortised cost based on an expected loss approach.

#### **AASB 15 Revenue from Contracts with Customers**

AASB 15 will provide (except in relation to some specific exceptions, such as lease contracts and insurance contracts) a single source of accounting requirements for all contracts with customers, thereby replacing all current accounting pronouncements on revenue.

These Standards provide a revised principle for recognising and measuring revenue. Under AASB 15, revenue is recognised in a manner that depicts the transfer of promised goods or services to customers in an amount that reflects the consideration to which the provider of the goods or services expects to be entitled. The give effect to this principle, AASB 15 requires the adoption of the following 5-step model:

- identify the contract(s) with a customer;
- identify the performance obligations under the contract(s);
- determine the transaction price;
- allocate the transaction price to the performance obligations under the contract(s);
   and
- recognise revenue when (or as) the entity satisfies the performance obligations.

AASB 15 also provides additional guidance to assist entities in applying the revised principle to licences of intellectual property, warranties, rights of return, principal/agent considerations and options for additional goods and services.

#### **AASB 16 Leases**

Under IFRS 16 there is no longer a distinction between finance and operating leases. Lessees will now bring to account a right-to-use asset and lease liability onto their Statement of Financial Position for all leases. Effectively this means the vast majority of operating leases as defined by the current AASB 117 Leases which currently do not impact the Statement of Financial Position will be required to be capitalised on the Statement of Financial Position once IFRS 16 is adopted.

#### **NOTE 2: FAIR VALUE OF FINANCIAL INSTRUMENTS**

The Directors consider that the carrying amounts of financial assets and financial liabilities recognised in the consolidated financial statements approximate their fair values.

# Independent Auditor's Review Report to the Unitholders of Passive Income (USA Commercial Property) Fund

### Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Passive Income (USA Commercial Property) Fund, which comprises the condensed consolidated statement of financial position as at 30 June 2017, and the condensed statement of comprehensive income, the condensed statement of cash flows and the condensed consolidated statement of changes in net assets attributable to unitholders for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors of the Plantation Capital Limited's ("Responsible Entity") declaration of the consolidated entity comprising the fund and the entities it controlled at the end of the half-year or from time to time during the half-year as set out on pages 7 to 21.

#### Directors' Responsibility for the Half-Year Financial Report

The directors of the Responsible Entity are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

## Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the consolidated entity's financial position as at 30 June 2017 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001. As the auditor of Passive Income (USA Commercial Property) Fund, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

# Auditor's Independence Declaration

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which

Liability limited by a scheme approved under Professional Standards Legislation.

Member of Deloitte Touche Tohmatsu Limited

# Deloitte.

has been given to the directors of the Responsible Entity, would be in the same terms if given to the directors as at the time of this auditor's review report.

#### Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Passive Income (USA Commercial Property) Fund is not in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 30 June 2017 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations* 2001.
